Melissa,

Thank you for the comment letter. It really covers a lot of my concerns. We all really enjoyed the meeting. It was really nice to get a feel for what's going on in the region. It was great to see you and I hope you had a quick trip back to Portland. Take care and talk soon!

Hi George,

I have attached USEPA's comments on the preliminary 404 application for the Seven Hills Mine.

Have a good one,

Melissa
